ABHIJIT SULE

Project Manager / JAVA

Email: abhijitsule@gmail.com; Contact: +91-9765390574; Location: Pune, India

OBJECTIVE

I aim to contribute to the software industry by leveraging leadership abilities, and professional skills, mentoring and empowering young professionals. I am committed to delivering exceptional customer experiences and driving organizational growth

SUMMARY

I am a results-driven professional with a strong focus on customer satisfaction and a proven track record as an effective problem solver. Over the span of 23 years in the software industry, I have held diverse roles including full stack developer, Project Manager, and software architect, among others. Throughout my career, I have showcased extensive technical expertise, excellent communication abilities, adeptness in servant leadership, and a high degree of adaptability in fulfilling various responsibilities

Some of the Highlights of My Profile as follows -

- I have overseen the mentorship and capability-building initiatives for over 100 software professionals, providing leadership across various locations within India as part of the Capability Centre COE. Additionally, I have fulfilled a client-facing role as both a Project Manager and Architect – 2015 Onwards
- Managed a team of 15 software professionals autonomously, comprising 3 architects, overseeing multiple projects and distributed teams. Engaged in a client-facing capacity as a Project Manager – 2013/2015
- Managed a team of 30 software professionals independently, fulfilling client-facing responsibilities as a Lead and Architect – 2007 / 20013
- Successfully delivered the Mobile Number Portability (MNP) project within the specified timeframe. The project was executed in Tokyo, Japan – 2006
- Completed the OMNI-II project within the scheduled timeframe. This project involved a team of 60 professionals and collaborating with a multinational corporation (MNC) client - 2004

SKILLS

- Java 1.8 & above, Rest, Angular, JavaScript, TypeScript, Spring Boot, Microservices, Ionic, Cordova, Android, npm, Nodejs
- AWS, Spring Cloud, JHipster Registry, Docker
- MongoDB, PostgreSQL
- GIT, GitHub, GitLab

- MS-Project, JIRA, Trello, Confluence.
- I am certified scrum master.
- I am certified coach from ICF for mentorship role.
